About Us

A sweet journey from Turkey to the world. Elmas Sweet is one of the largest producers of specialty confectionery in Turkey, supplying many retailers and stores across the country.

We produce thousands of kilos of confectionery every year in our factory in Konya. We have all the standards for the safe consumption of our delicious products, with our products complying with the Turkish Food Codex, our quality and hygiene certificates. With our experienced product development team, young and dynamic management team, and our sales policies based on the happiness of our consumers, we offer much more than a confectionery in our factory. With our headquarters, production and distribution centers in Konya, Elmas Sweet guarantees complete and on-time delivery with an affordable price policy. Since 2016, we have been moving our quality forward every day. We are proud of exporting to more than 70 countries in total, to many of the Asian, European, African and Balkan countries.
